Interview Summary

On May 22, 2003 Applicants undersigned representative discussed with Examiner Dean the fact that a separate form requesting an extension of time had not been submitted with the amendment filed on May 15, 2003, but that a general fee authorization was included on the fee transmittal.

The Examiner indicated that the general fee authorization had been interpreted as a request for the required extension of time and that the cost for the request was charged to the required deposit account. The Examiner indicated that there was, therefore, no need to submit a separate request for an extension of time in this matter.

Respectfully submitted,
